St Joseph's Middle School: Volunteer Policy

The school's volunteer policy is part of the school's safeguarding system and policy.

INTRODUCTION

Volunteers at our school bring with them a range of skills and experience that can enhance the learning opportunities of pupils. The Board of Governors therefore, welcomes and encourages volunteers from the local community.

Our volunteers may include:

- Members of the Governing Body
- Parents of pupils
- Ex-pupils
- Students on work experience
- Ex-members of staff
- Local residents
- Friends of the school

The recruitment of new volunteers can take up to half a term and intake of new volunteers will be dependent on the candidate and available spaces within school. The smooth running of St Joseph's Middle School for its pupils will always be a priority. Senior Management maintains the right to refuse volunteers and also terminate placements.

The types of activities that volunteers engage in, on behalf of the school, include:

- Hearing pupils read
- Working with small groups of pupils to assist them in their learning
- Working alongside individual pupils, as additional support
- Accompanying school visits

Our School Aims

All adults/Young People who work in our school, whether a paid member of staff, or a volunteer are expected to work and behave in such a way as to actively promote our school aims and educational purpose, as identified below.

Our School Vision:

At Joseph's Middle School we are committed to working together to provide an inspirational and exciting learning environment where all children can develop an enthusiasm for life-long learning.

We believe that children should feel happy, safe and valued so that they gain a respectful, caring attitude towards each other and the environment both locally and globally.

- The school is driven by a strong sense of equality and entitlement.
- Its core purpose is to give children aspirations, ambition and life chances - nothing is more important.
- The quality of the day to day teaching and learning gives the children life chances they rightly deserve.
- All staff are dedicated to making sure these aims are met.

Becoming a Volunteer

Anyone wishing to become a volunteer, either for a one-off event such as a school visit or on a more regular basis, e.g. hearing pupils read, usually approaches the Class Teacher, Head Teacher or School Office directly. It is the school's decision to take on volunteers and this will depend on the time of year, the number of volunteers we already have in school and the potential impact on the children.

Volunteers should complete the Volunteer Application Form (Appendix 1) with a covering letter requesting interest. Applicants are expected to provide their contact details, types of activities they would like to help with, and the times they are available to help.

Child Protection and Safeguarding

Safeguarding is our priority and we follow safer recruitment guidelines to ensure that we are safeguarding pupils, young people and vulnerable adults and expects its volunteers to share that commitment. The process of recruitment of volunteers mirrors the safer recruitment of paid staff to ensure the most suitable adults for our school. A list of volunteers will be kept in the main admin office- this will be kept up to date and the responsibility of the Admin Officer.

To ensure the safety of our pupils, we adopt the following procedures:

- All volunteers are given a copy of the Volunteer Policy and asked to sign a Volunteer Agreement (Appendix 2)
- All of our frequent volunteers must have been cleared by the Disclosure and Barring Service (DBS). A DBS Disclosure will be issued to the individual to present to the designated member of staff in school.
- Volunteers have a clear job description (Appendix 4) and their supervisors will address any concerns in their work
- Volunteers agree to the visitors code of practice daily when they sign the visitors book at reception

Online Safety

Online Safety relates to the teaching and learning of technology and through technology in a responsible and safe environment, focusing on raising awareness of the core messages of safe

content, contact and conduct when using it. Volunteers, like staff are expected to follow the E-safety Policy (available on the school website) which they will be provided with along with a copy of the school Social Media Policy on their first day.

Personal devices including mobile phones must be handed in upon arrival at the school office. Staff and volunteers may not make or receive calls during teaching time. Use of phones or phone watches must be limited to non-contact time when no children present. Volunteers must only use school owned devices for capturing, recording and storing data or photos of children.

Frequent or Intensive Volunteers

Activity which is described as 'frequent' or 'intensive' covers the meaning given in the Safeguarding Vulnerable Groups Act 2006.

'Frequent'—once a week or more often on an ongoing basis; and 'Intensive'— three or more occasions in a 30 day period.

Volunteers who are frequent or intensive need a DBS. If a volunteer does not have a DBS they should not under any circumstances be left with a child alone.

Where a volunteer –is engaged in a 'one-off' activity e.g. helping supervise a group of pupils as part of a class visit, no formal checks are required. However, such volunteers, who will be under the constant supervision of school staff, must read and sign our Off-Site Visit Agreement (Appendix 3).

Volunteers for school visits

School visits are an integral part of learning at our school and afford many pupils opportunities which are outside their usual experiences. The class teacher or staff member leading the visit will brief the volunteer regarding the risk assessment, daily schedule and any other important pieces of information. The visit lead, who will be a staff member, has ultimate responsibility for the pupils. Pupils should never be left with a volunteer unsupervised. The off-site visits volunteer agreement form is included in Appendix 3.

Process for recruiting a volunteer who will be working frequently or intensively

1. Volunteers will be directed to the school office and will be given the volunteer policy. They will be asked to complete Appendix 1 with a supporting covering letter and return.
2. References will be requested
3. A responsible officer will identify the need and role for volunteers
4. Candidates will be attracted via the school's communications systems, primarily newsletter or text messages
5. The candidate/s attend the school for an informal discussion to ensure the applicant is suitable for the role
6. Enhanced DBS check undertaken

7. The volunteer will be made aware of the role and responsibilities they will be undertaking
8. Two references should be sought where the volunteer arrangement will continue on a regular basis.
9. Induction- school and corporate policies and documentation explained and issued. These to include Health and Safety, Behaviour Management Policies and Whistleblowing Policy
10. Volunteer records to be kept in a central place within the school

Before starting to help in a school, a volunteer should complete the Volunteer Agreement (Appendix 2), which sets out the school's expectations of its volunteers and to confirm they have received a copy of this Agreement. The school will seek DBS clearance for a volunteer before they come into school, to make an informed decision when accepting volunteers to work with children. This is not required where a volunteer is engaged in a 'one-off' activity.

Work Experience/ Placement Students

Joseph's Middle School has long standing relationships with various local schools, colleges and universities. We are happy to take students on placement if we have suitable experiences available based on the smooth running of our school. Secondary schools, colleges and universities wanting students to be placed with us need to formally make contact with the Head Teacher or Deputy Head Teachers outlining the aims of the placement and duration.

If the placement is as part of a teaching course (BA/ Bed. or PGCE) the Deputy Head Teachers will deal with further correspondents/ details. If the placement is just for work experiences purposes the school/ college is asked to provide the reference for the student and the student is requested to complete the volunteer's paperwork. Joseph's Middle School retains the authority to refuse or terminate a placement to ensure the smooth running of our school.

Confidentiality

Volunteers in school are bound by a code of confidentiality. Any concerns that volunteers have about the pupils they work with/come into contact with should be voiced with the designated supervisor and NOT with the parents of the child/persons.

Volunteers who are concerned about anything in the school, which may affect their work should raise the matter with the Head teacher or appropriate senior member of staff. Any information gained at the school about a child or adult should remain confidential.

Supervision

All volunteers work under the supervision of a teacher or full time member of staff. Teachers retain ultimate responsibility for pupils at all times, including the pupils' behaviour and the activity they are undertaking.

Volunteers should have clear guidance from the designated supervisor as to how an activity is carried out/what the expected outcome of an activity is. In the event of any query/problem

regarding the pupils understanding of a task, behaviour or their welfare, volunteers must seek further advice/guidance from their designated supervisor.

Health and Safety

The school has a Health & Safety Policy and this is made available to volunteers working in the school. An appropriate member of staff will ensure that volunteers are clear about emergency procedures (e.g. Fire Alarm Evacuation) and about any safety aspects associated with particular tasks (e.g. using D T equipment/accompanying pupils on visits). Volunteers need to exercise due care and attention and report any obvious hazards or concerns to the designated Supervisor/School Business Manager. Volunteers are covered by NCC Health & Safety Statement and indemnity and Public Liability Insurance.

Complaints Procedure

Any complaints made about a volunteer the person concerned must follow the schools complaints policy which is found on the school website.
