

# Year 7 – Geography Home learning – TOPIC 3 (Coasts and glaciation)

Complete at least 4 activities. You will gain extra house points for completing extra activities.

First piece to be handed in by 25/05/22 , second piece by 08/06/22 , third piece by 22/06/22

Fourth piece by 06/07/22 .

Describe how man-made and natural defences can be used to limit the impact of coastal erosion.

Collect 5 facts about 2 separate rivers in the UK.

Describe how glaciers help to form the land.

★  
CHALLENGE YOURSELF

Create an acrostic poem using the word **GLACIER**.

Describe with pictures how a depositional landform is created along the coast.

Imagine that you have travelled along the River Tyne in a canoe. Describe the changes in landscape, and some of the places you will have travelled through as you make your way to the sea.

Compare a river from the UK to a river from Europe

Write a creative account of a visit to a glacier. What did you see, do? What landforms were there?
