

Y8 Music Homework Summer

For this homework you will be doing some online work using the teaching gadget website. Below are the steps to log in in case you have forgotten how to do it:

1. Type: www.teachinggadget.com into your address bar.
2. Click onto the log in tab and enter the User name: hexhamstjosephs
Password: music
3. When logged in scroll down to the keyboard option on the main page (not in general musicianship).
4. For year 9 you will need to have a good knowledge of keyboard notes and where they are. We have done a lot of this in school but this is a chance to test yourself
5. Scroll down to 'Note Names L1'
6. You will need to practice this quiz several times.
7. Try moving onto levels 2 and 3
8. Submit your score when you are happy with your mark.

If you struggle with any aspect, please come and see me in school.

Good luck

Mr Rosier
